ELECTION

Sir:

This is in response to the United States Patent and Trademark Restriction Office Action mailed June 4, 2008, which response is being made on or before August 4, 2008, and for which a one month extension of time fee is due.

Applicants hereby elect **Group I, namely Claims 1, 12, 71-101**, drawn to a peptide, a pharmaceutical composition comprising the peptide thereof, comprising an amino acid sequence X-Y or Y-X. - **SEQ ID NO: 121**

With respect to the species requirements, Applicants select:

Ad – 2 amino acid

Bh – Synthetic

An election of species C – G is not relevant in view of the above election.

It is believed that claims 1, 12, 72, 74, 77, 78, 79, 81, 95 and 97 are readable on the elected inventions and species.

Applicants reserve the right to file, at a later date, additional divisional applications claiming priority from the present application which are directed to the non-elected Groups.

Respectfully submitted,

Martin D. Moynihan
